

LEAP Testing

LEAP Testing begins for 6th & 8th graders on Wednesday, April 17th.

LEAP Testing for 7th graders begins on Wednesday, April 24th.

- It is essential that students are here every day for the LEAP Test, and that they are here at 7:00 a.m.
- We ask that during the LEAP Test that students leave their cell phones at home. Students may not have a cell phone in the testing site. The administration will pick up cell phones before testing and give them back after testing is done.
- We ask that students leave all electronics except their Chromebooks at home. This includes smart watches.
- Your child must bring their charged Chromebook with them each day. Please make sure that they charge it each evening.
- Students should shut down their Chromebooks each day.
- Ensure that your child gets plenty of rest each night.
- As far as possible help them to be in a good mood and remind them that they are capable.
